Concerns:

- The drive up to the Ballroom level of the clubhouse MUST be clear, no more cars or golf carts will be allowed to park there, except to drop someone off. An emergency at the last dance showed how important it is for emergency vehicles to be able to get up the driveway. Signs will be posted.
- Concern also for vehicles parked on both sides of our streets which block others from passing safely.
- Having a wheelchair available on the ballroom level of the clubhouse will be done.
- Entertainment licensing for activities in the Caddy Shack, pool area, etc. is a concern which will be handled through the HOA.

Guest Speaker- Brian MacNeel, Crime Prevention Practitioner- spoke to the group. His entertaining presentation was filled with many important safety messages. The top areas of criminal activity are: identity theft, auto theft, home burglary, and personal safety issues. He gave interesting statistics and many useful hints on how to protect oneself from being the target of a crime. He also fielded questions and had handouts and items for safety for sale.

Meeting adjourned at 8:30 pm.

Norma Miller, Secretary
